

Mick's Mutts Dog Walking Services Pick-up and Drop-off Policy

PICK UP

A pick-up time will be pre-arranged with you as per agreed during consultation. Please leave leads visible in the agreed area. I will provide my own leads, if required or if the lead provided is deemed unsuitable. Your dog will be taken on an agreed walk either locally or transported to a location in my van.

DROP OFF

I will walk your dog for the agreed time and drop them off at your house. Frequently walks will exceed the specified time duration, incorporating travel time and extra walk time. Time will be added to allow me to clean and dry paws, get your dog comfortable and give fresh water and treats or food, if specified. If for some reason I am delayed, I will keep you updated.
